TEL: 086 788 12 12
E-MAIL: info@snackbasket.ie WEB: www.snackbasket.ie

This document sets forth the terms of agreement between Snack Basket Ltd (“the Company”) and “the Customer” for the installation of vending machine(s) Serial No: on the property.

- ◆ Snack Basket Ltd provides vending machine services to businesses and organizations.
- ◆ Installation of vending machine(s) is undertaken on a date convenient for both site and supplier. The location of the vending machine(s) is agreed with the site owner prior to any machine installation. Installation of the machine(s) is carried out by a fully bonded and insured shipping company.
- ◆ Snack Basket Ltd reserves the right to remove the vending machine(s) at any point in time. The Company will arrange collection of the machine(s).
- ◆ Machines and all related technologies are installed free on loan. The Customer acknowledges and agrees that the vending machine(s) and all related technologies remain the sole and exclusive property of Snack Basket Ltd. for the duration of the machine installation within the site.
- ◆ Snack Basket Ltd is responsible for the insurance of machine(s).
- ◆ The Customer is not responsible for any losses, damage, damage/loss of stock.
- ◆ Snack Basket Ltd undertakes regular maintenance and checks of the vending machine(s). Servicing of all vending machine(s) is completed on a regular basis dependent on sales. On installation the machines are fully set and stocked by a member of staff from Snack Basket Ltd. Machine stock is adjusted to suit individual site requirements. Snack Basket Ltd are not tied exclusively to any particular confectionery brands/ companies, so can therefore stock all machines with a mix of the most popular and requested products. We welcome all customer requests, and do our best to accommodate all interests. Customer requests can be emailed through to our dedicated address – **refill@snackbasket.ie**. For any maintenance or vending issues, please contact us **at 086 788 12 12**, or email **info@snackbasket.ie**.
- ◆ Should the site require an additional machine, then this would be prior agreed between site owner and supplier.
- ◆ Any errors noticed on stocking run will be immediately rectified by the Snack Basket Rep on site. Should the Rep be unable to return the machine to full working condition on site, the required part will be ordered and in place as soon as possible.
